Weller® TOOLS

All Weller Soldering Guns, Saws and Sanders are Guaranteed 1 Year

"EXPERT" SOLDERING KIT WITH DUAL HEAT GUN

MODEL 8200K—Exclusive Weller Dual Heat feature saves time, gives greater convenience and increases tip life. Triggermatic control switches instantly to high (125 watt) or low (90 watt) heat as the job requires.

- **High Efficiency Tip** utilizes copper for superior heat transfer and soldering efficiency, plus iron plating for rigidity and long life.
- **Compact Design** and comfortable balance aid precision soldering.
- **Instant Heat**
- **Prefocused Spotlight**
- **All-Purpose Solder, Wire Brush and Soldering Aid included.**

Packaged in attractive self-shipper display carton

$7.95 list

WELLER "JUNIOR" SOLDERING GUN

MODEL 8100—Value leader in the soldering field. Touch the trigger and soldering tip heats instantly—twin spotlights illuminate work and eliminate shadows. Does quick, accurate soldering—even in dark and difficult places.

- **Instant heat**—no wasted time or current. Over 100 watts
- **Fingertip "On-Off" Control** — no need to unplug
- **Twin Spotlights** — no need for a flashlight
- **Cutting and Smoothing Tips** — available at slight extra cost

Packaged in attractive self-shipper display carton

$5.95 list

Weller

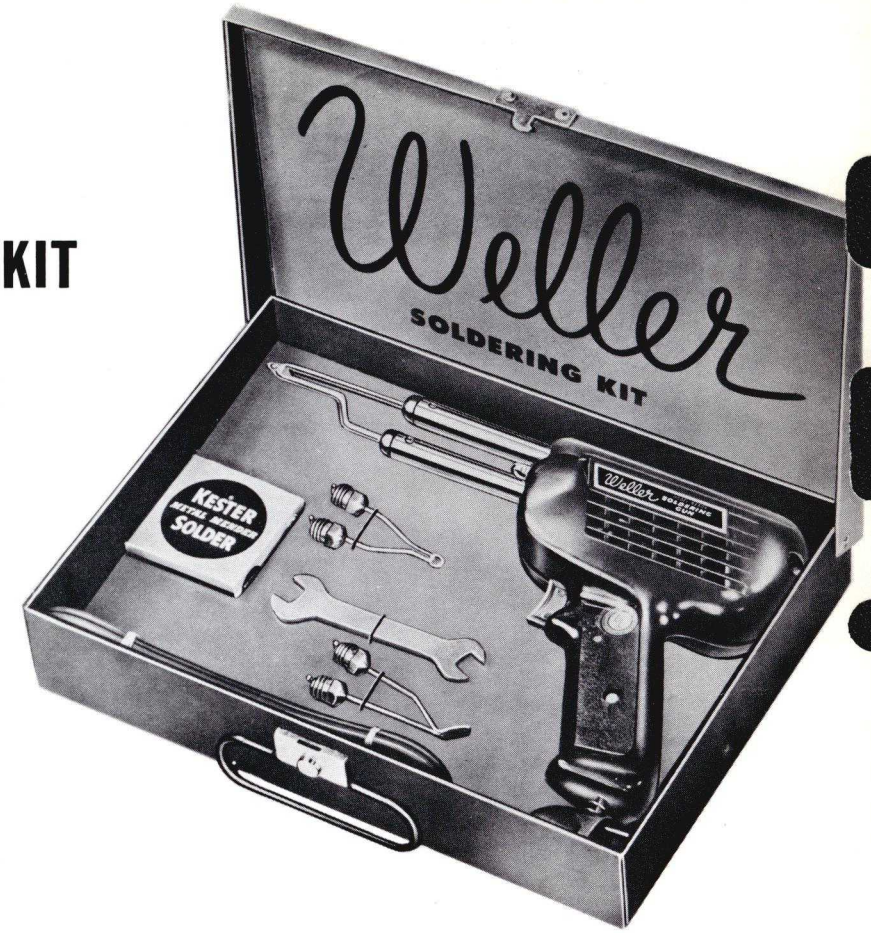
HEAVY DUTY SOLDERING KIT

MODEL 8250AK—A professional soldering kit with heavy duty, 250 watt Weller soldering gun. Features instant heat, fingertip "on-off" control and twin spotlights. Kit includes accessories for all types of soldering and household repairs.

- **250 Watt Soldering Gun**
- **Sturdy Metal Case**
- **All-Purpose Solder**
- **Smoothing Tip**
- **Cutting Tip**
- **Tip Adjustment Wrench**
- **2 Instruction booklets**

Kit includes everything needed for scores of hobby and homecraft jobs. Nothing else to buy for soldering, heat sealing, cutting, mending, joining and smoothing.

$14.95 list



Weller

HEAVY DUTY SOLDERING GUN

MODEL 8250A—250 watt general purpose soldering gun. Saves time and money on scores of "do-it-yourself" jobs. Widely used by professional craftsmen and technicians. Fingertip switch control. Heat is instantly "on", instantly "off" . . . no waiting, no danger from an idling hot tool.

- **Accommodates Special Tips** for heat sealing, cutting and smoothing
- **Twin Spotlights** light the work and eliminate shadows
- **Instant Heat** with full 250 watts
- **Long-Life Tips** easily replaced

Packaged in attractive self-shipper display carton

$12.95 list

Weller POWER SANDER

MODEL 700—Removes old paint, puts a satin-smooth finish on new wood in a jiffy. Light in weight. Easy to hold. Fits snugly in palm of one hand. Plus these other advanced Weller features:

- **25 square inch Sanding Area**
- **Power Packed** with 14,400 strokes a minute
- **Easy Sandpaper Replacement**—no special tools needed
- **Positive Straight Line Action**—sands with grain for fine finishing—never bucks or twists
- **Fingertip "on-off" Control** — conveniently located; push button type switch
- **Assorted Sandpaper and Polishing Cloth Included**

Packaged in attractive self-shipper display carton

$16.95 list

Weller SABRE SAW

(PORTABLE JIG SAW)

MODEL 800—Makes every kind of cut in many kinds of material. Cuts plywood, plastics, aluminum, composition board, etc. Even more, it's portable—can be used anywhere. Compare these exclusive Weller features:

- **Strain Relief Design** eliminates blade breakage
- **3 Different Blades Included** for wood and metal cutting
- **Lubricated for Life**—no parts to wear or replace
- **Makes its Own Starting Hole**—no need to drill for inside cuts
- **Fingertip "on-off" control**

Packaged in attractive self-shipper display carton

$19.95 list

WELLER DUAL HEAT PROFESSIONAL SOLDERING GUNS

Exclusive Dual Heat feature saves time—adds convenience—and greatly increases tip life. Triggermatic control switches instantly to high or low heat as the job requires. Tip life is increased by using high heat only when necessary. Weller Dual Heat Professional Guns also offer many other advanced features for unmatched soldering performance:

- **Soldering in Seconds**—With no wasted time or current, Weller Dual Heat Guns pay for themselves in a few months.
- **Exclusive Tip Grip**—Wiping action of tip-fastened nut eliminates contact resistance and oxidation; assures full, constant heat.
- **Twin Spotlights** eliminate shadows on work.
- **Longer Reach**—Handles difficult jobs with ease; slips between wiring with no damage to insulation.
- **Replacement and Accessory Tips** available at low cost.

Packaged in attractive self-shipper display carton

WELLER MAGNASTAT SOLDERING IRONS

with built-in temperature control at the tip

A great new advance in soldering from Weller. New Magnastat temperature control in tip prevents overheating—constantly maintains proper soldering temperature. Result—more reliable soldering. Less down time, too, because tip redressing is minimized. All magnastat soldering irons are guaranteed against defects in material and workmanship.

4 MODELS AVAILABLE IN 4 DIFFERENT WATTAGES

Model	Watts	Tip Temperature Controlled To:	Weight In Ounces	List Price
